We are happy to hear that you are investigating a wedding at Palermo Hotel and Resort in San Juan del Sur, Nicaragua. We are a fun place for events - large and small. Here is a bit of background about what we have been doing for weddings most recently. Please let me know what you have in mind. We are happy to talk by phone or email - your preference!

A ceremony on our pool patio, on our shaded decks, in our amphitheater, on the beach or on our lawn offers tropical flowers all around you and an arch to shade you during the ceremony. We can arrange a beach ceremony, if you want to get married with your toes in the sand and then retire to the pool and clubhouse at Palermo Hotel and Resort for your reception dinner. There are many locations on our lawns where we can set up a decorative arch and chairs for your ceremony. Select the location you prefer when you arrive.

If you are planning on a legal wedding ceremony, then we can help you arrange for a civil or religious service. Many people getting married at our hotel have a friend read vows, after a legal ceremony at their home. We are happy to help you arrange a Nicaraguan religious or civil ceremony, but either will add to your costs.

Palermo Hotel and Resort offers a romantic venue for your big event. Our wedding coordinator will turn your tropical dreams into reality.

Last year, our weddings generally fell into one of these categories:

Nicaraguan Wedding - single night reception dinner and party with family and friends at Villas de Palermo

Destination Wedding - Over the Top at Palermo - a week of celebration with family and friends experiencing all that Nicaragua has to offer and partying into the night at Villas de Palermo

Toes in the Sand - ceremony on the beach with a poolside reception at Villas de Palermo

Just You and Me - simple ceremony for bride and groom at Villas de Palermo

Now for your guest accommodations: We have three different configurations of our ocean-view villas: a one suite villa; a two suite villa and a luxury, two suite villa. Rates vary with the season and our occupancy. All hotel rates are plus tax.

Since you will be bringing a group, we will reserve a number of villas for your guests and offer your group a discount on any accommodations. Our villas are individual 1600 square foot homes with two separate bedroom suites, so wedding guests often decide to share a two suite villa with family members or friends.

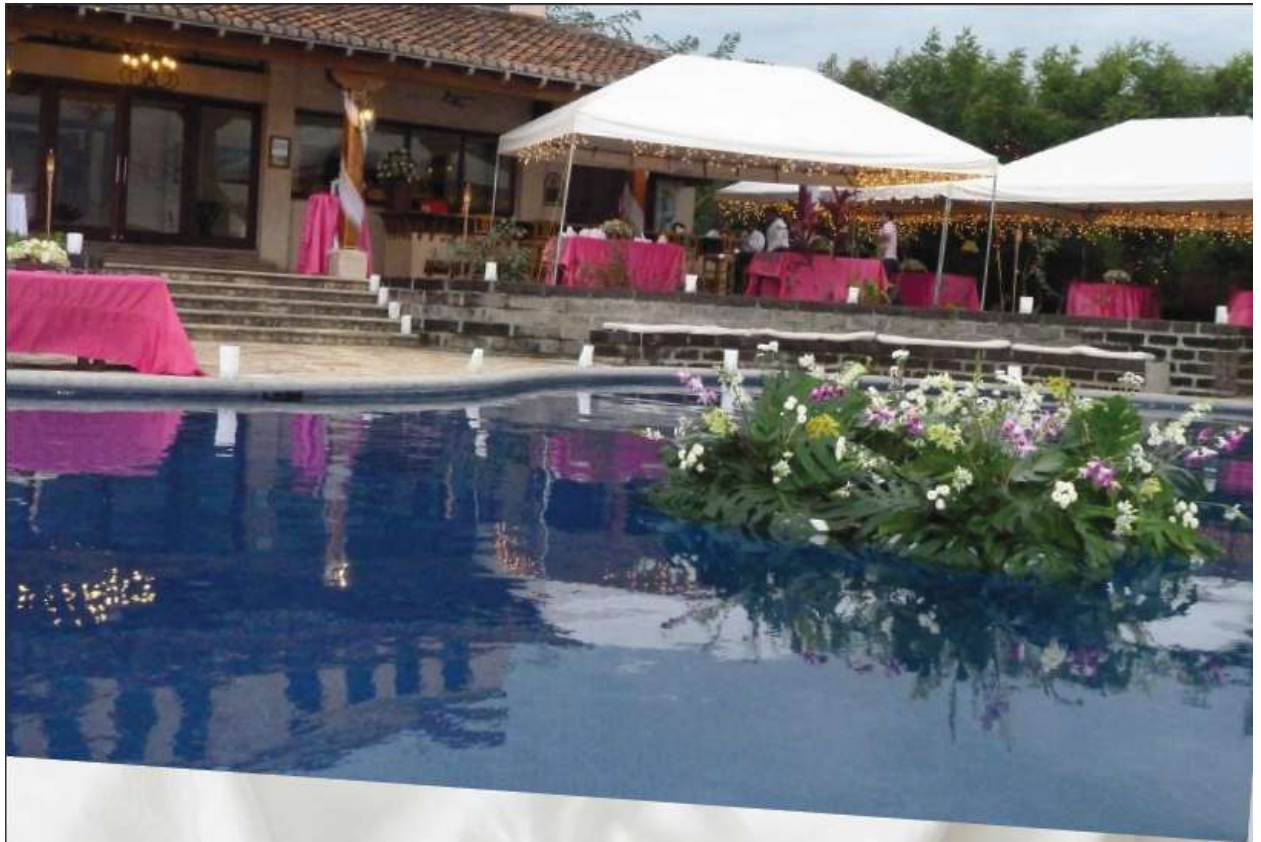

Please visit our website www.villasdepalermo.com to learn more about [Palermo Hotel & Resort](#).

For this type of event we offer special discounts for hotel reservations:

- Your group will receive a 15% discount on accommodations if we receive a signed contract and 50% deposit 6 or more months in advance*
- Your group will receive a 10% discount on accommodations if we receive a signed contract and 50% deposit 3 or more months in advance*

We can offer you a wonderful, tropical experience including rehearsal dinner, wedding ceremony, reception dinner and party, bridal flowers, wedding cake, music, etc.

We receive many requests for weddings and corporate events, so we offer you the opportunity to reserve your special date with a deposit. With a non-refundable deposit of US \$1,000, we'll guarantee the date and services, as well as reserve a block of rooms for your guests.
